It is incredible once again to see all that has taken place during the 2018-19 year of wonderful learning at Mary Butterworth School. Students, staff and community have come together in so many powerful ways to support one another and work as such a positive team.

These pages will tell the story of the year that was. Yearbooks are a great way to document all the great things that happen and they serve as a vault for the memories of our time together. You will see pictures of your classmates and friends taken in classrooms, on field trips and during sporting events. Years from now you can open this volume and remember the great times you had and the great people you met. You can also laugh at the hairstyles and clothing!

Many thanks to Mr. Smigielski and the Yearbook students for your work in compiling this incredible compilation that will be enjoyed by many for years to come.

Sincerely,
Cathy Taylor
Principal
